

CAROLINA PGA  
"IMPROVING LIVES THROUGH GOLF."

## WHAT IS PGA WORKS?

With one of the most diverse workforces in golf, the Carolinas PGA strives to ensure that the future of golf mirrors that of our America. Through the PGA Championship at Quail Hollow in Charlotte, we are utilizing funds to hire from a talented pool of diverse or minority backgrounds through our PGA WORKS Assistant Program. Our Professionals support many community outreach programs, such as golf in schools and mentoring programs to diverse and underprivileged populations throughout the Carolinas.
