- (c) Should less than 90% of the maximum size field begin play, the Section Official in charge may reduce the field and/or prizes to the low 1/3 (33%) scores and ties after 36 holes.

Section 8. Discontinuance of Play

- (a) In Major individual stroke play Championship competitions, all efforts should be made to get in as many holes as possible. The least number of acceptable holes to count toward a complete Championship is 18 holes, and the Section reserves the right to pay a full purse as it sees fit based on a minimum 18 holes completed.
- (b) The following guidelines are for use by the Executive Director, Tournament Director, on-site Official, and/or the Tournament Committee:
 - 1. When unplayable or unsafe conditions occur, play shall be suspended. When conditions thereafter become safe and playable, play will then resume and every effort will be made to complete the round even if it cannot be completed that day. The Executive Director and/or the Tournament Director may complete the round the following day and adjust starting times accordingly if necessary to complete that day's round as well.

In the event of a suspension of play, the Section Official in charge may reduce the size of the field to sixty (60) players and ties. He/she shall have discretionary power to further reduce the number of players as conditions warrant.
 - 2. In the event of a suspension of play during a final round, the round shall be canceled if more than half the field is unable to complete the round. If more than half the field completes the round, play should be temporarily suspended and completed when conditions permit. Consideration of this policy is dependent upon the availability of the golf course and facility.

Section 9. Policy Regarding Ties

In all Major Championships, should two or more Professionals or amateurs tie for the Championship, a sudden-death playoff will ensue. Professionals and amateurs tying for other positions will share prizes.

For qualifying events, if there are two or more contestants tied for the (a) championship, (b) final qualifying position(s), and (c) order of alternate positions, there will be a sudden-death playoff. If, within the alternate playoff, a winner is determined, the other players must continue play to determine additional alternate positions (if needed). If any player is not present for an alternate playoff, he/she will be given the lowest position amongst those with whom they were tied. Post-event, if any further alternate positions need to be determined, a scorecard playoff will be utilized by comparing total scores from (i) the final round, (ii) the final nine holes (#10-18), (iii) the final eight holes (#11-18), and so forth. If there is still a tie, a random draw of holes will be used until the tie is broken.

Section 10. Prize Fund Distribution

Amateurs surviving the cut will receive merchandise certificates for amounts not exceeding the current USGA maximum allowance from their own prize purse.

The above amounts are in addition to any prize money a Senior/Female Professional may earn from the Championship Professional Purse. Senior/Female Professionals do not necessarily need to make the cut to receive Bonus Money. However, a scorecard must be returned for each scheduled round in order to be eligible for prize money.

Senior/Female Professionals may solicit additional sponsors to increase the number of places paid and/or to increase the minimum purse provided that the Tournament Committee approves the sponsors.

If a host Professional is supplying amateurs from the host club, then the host Professional is responsible for the reported handicaps of those amateurs. If any Professional is found to have falsely reported an amateur team member's handicap, he or she is subject to the penalties found in Article V Section 2 (m), and the amateur(s) involved will be declared ineligible to compete in any Section tournaments for a period of six (6) months. In such an instance, the Executive Director, Tournament Director, and Tournament Committee have the right to rescind and collect any prize amounts distributed to the violating team, including both the amateur(s) and the Section Professional, and the prize money will be assigned to the PGA REACH Carolinas Foundation.
 - (b) In Pro-Am events not run by the Section office, it is the responsibility of the host Professional to collect, check and verify all participating amateurs' handicaps for accuracy. It is the discretion of the host Professional to permit an amateur to compete without verification, although this is not recommended.  - 2. If an amateur player fails to appear, a designated amateur shall be drawn and his/her scores shall be used to assist in their team score. Any drawn amateur may only win with his/ her original team. Any prize won by the drawn amateur will be donated to the PGA REACH Carolinas Foundation.
-

Penalties for violations shall be consistent with other scoring violations.

 - (b) If a group is not maintaining this pace, and there is clearly one complete hole open ahead of them, the group shall be warned of a Pace of Play violation. The next violation will result in a one-stroke penalty. The next violation will result in a two-stroke penalty. (Rule 5.6 of the Rules of Golf).
-

- (a) The policy for discontinuance of play shall be consistent with Rule 5.7 of the Rules of Golf.
 - (b) The host Professional or Tournament Committee designated by the host Professional has the authority and responsibility to order a discontinuance of play due to weather conditions. The decision to resume play, postpone any part of it, or cancel play entirely rests with the host Professional or designated Committee.
 - (c) In a one-day event, if play is discontinued before the field has completed play, the following policy shall apply:
 - 1. If 75% or more of the field has completed play and it will be unfeasible for the others to do so on that day, the tournament payout shall be re-figured on the basis of the number completing play. Those participants unable to complete play shall be deemed non-players and will be refunded the portion of the entry fee going into the purse.
 - 2. If less than 75% of the field has completed play, the event will be postponed and/or rescheduled.NOTE: One-day events shall not be reduced to less than 18 holes if play is not completed.
 - (d) In a multi-day event, if play is discontinued before the field has completed play, the following policy will apply:
 - 1. The unfinished teams will resume play on the following day prior to the start of the day's scheduled play.
 - 2. If one of the rounds is completely washed out, the tournament will pay-off in full based on one-round scores.NOTE: Under no circumstances will play continue past the last scheduled round of the competition.
-

Section 10. Prize Fund Distribution

- (a) The prize fund distribution shall be the total of the minimum entry fees plus the guaranteed added money.
- (b) No money can be deducted from the prize fund without prior approval. This would include, but is not limited to, deductions for gratuities, social activities, or mementoes.
- (c) The prize fund should be distributed to a minimum of 1/3 of the starting field.
- (d) Percentage breakdowns for Pro-Am, Pro-Lady, and Senior Pro-Am events are recommended to be as follows:
 - 1. 30% to the low individual Professionals.
 - 2. 17.5% to the Professionals of low Pro-Am teams.
 - 3. 52.5% to the amateurs of low Pro-Am teams.Any adjustment to these amounts and percentages must be approved well in advance by the Executive Director and/or Tournament Director.
- (e) The payoff is determined by the percentage scale found in Appendix II.
NOTE: See appendix III for figuring purse breakdowns.
- (f) Winning Professionals' prizes will be processed by the Section office and PGA of America as soon as results are received and verified.
- (g) Winning amateurs will be awarded gift certificates redeemable for merchandise in the host club's golf shop.
- (h) If for any reason, the certificates are not distributed upon completion of the event, they should be mailed to the Professional of the team or kept on file.
- (i) There shall be no individual low amateur prizes (net or gross) in Pro-Am competition except as provided for in a format variation approved by the Tournament Committee. Any such prizes must come from a separate purse.

- (j) In two-day Pro-Am competitions, a consolation team award of \$100 may be made to the non-winning team posting the lowest second round score. If more than one course is involved, an award should be made at each course. Ties should be determined by a match of cards starting at the first hole.
-

Section 11. Policy Regarding Ties

- (a) In Pro-Am events, should two or more teams tie for any position, including first place, those posting the same score shall share equally in the total purse allotted for the number of tied positions.
- (b) If more Professionals or teams are tied for a position so that an equal distribution would result in a payout of less than \$20.00, the position of those so tied should be resolved by a match of cards, starting at the first hole until positions are so determined. For a two-day Pro-Am, matching of cards will commence for the first hole of the course played during the last round. Where two or more courses are involved for the final round, matching of cards will use scores at the designated principal course starting at the first hole.

EXAMPLE: If six tie for the ninth place in an event where 10 places are to be paid, and after adding ninth and tenth place money together and dividing by six, the payout will result in awards of \$8.50 each (which would be less than the \$20.00 minimum). A match of cards among those six would determine which two were winners and they would share the ninth and tenth place money.

ARTICLE IX PGA TOUR Event Qualifiers and Exemptions

Section 1. Section Qualifiers

- (a) The Section will conduct qualifiers to determine Section Member Positions in PGA TOUR events with number of positions determined by current PGA TOUR or equivalent tour events policy.
- (b) For Section PGA TOUR and equivalent tour events, Section qualifiers will be open to Section Class A Professionals, Life Members, and Master Professionals, who are otherwise eligible under Article VII, Sections 1 and 2.
- (c) All Section qualifying will be conducted in accordance with the Section Tournament Rules and Regulations.
-

Section 2. Exemptions

Exemptions granted to the Section Members (Class A, MP, LM) for PGA TOUR events held within the Section will be guided by the current PGA TOUR policy. In order to use a PGA Tour exemption, the Member must be in good standing with the Association. If the Member changes Sections, he/she shall retain the exemption as long as they remain in good standing. If an Associate is elected to Membership during a season, only Player of the Year points earned as a Member can count toward a PGA Tour exemption.

Currently, exemptions are available for the Wells Fargo Championship and the Wyndham Championship. The current Section Professional Champion (if otherwise eligible) will receive the first choice. The current Section Player of the Year (if otherwise eligible) will receive the second choice. An individual can receive both exemptions.

If the Section Professional Champion or Player of the Year is not eligible or is unable to compete, the other will have opportunity to switch tournaments providing he/she has not already used their exemption. If he/she declines or has used their exemption, the Section will conduct a qualifier for the top twelve (12) eligible finishers from the previous year's Player of the Year list for the vacated exemption. If anyone from this list cannot compete, no extra position(s) in the qualifying field will be granted.

If the Section Professional Champion or Player of the Year switches tournaments after the other becomes ineligible or is unable to compete, the Section will conduct a qualifier for the top twelve (12) eligible finishers from the previous year's Player of the Year list for the vacated exemption. If anyone from this list cannot compete, no extra position(s) in the qualifying field will be granted.

If an individual holds both exemptions and is not eligible or is unable to compete, the Section will conduct two (2) qualifiers for the top twelve (12) finishers (if otherwise eligible) from the previous year's Player of the Year list. If anyone from this list is not eligible, no extra position(s) in the qualifying fields will be granted.

The current Section Senior Professional Champion will receive an exemption for the PGA TOUR CHAMPIONS SAS Championship Event Qualifier (not the tournament proper) without having to pre-qualify. This individual is responsible for any fees associated with the exemption. If the current Section Senior Professional Champion declines or is unable to compete, the qualifier exemption will be offered to the current Section Senior Professional Player of the Year. If the current Section Senior Professional Player of the Year declines, the Section will proceed down the list of the previous year's Senior Player of the Year points list until the exemption is filled.

The Section currently receives three (3) Member exemptions into both the PGA Tour Wells Fargo Championship and Wyndham Championship Event Qualifying. Those exemptions will be offered to Section Members based on the previous year's CPGA Bob Boyd Player of the Year points standings list. Associates are not eligible. These exemptions do not have to Pre-Qualify and are responsible for any fees associated with PGA Tour Event Qualifying.

Section 3. Open Qualifiers

The Section will conduct qualifiers to determine open positions in the PGA TOUR and equivalent tour events with the number of positions determined by current PGA TOUR or equivalent tour policy.

For open PGA TOUR and equivalent tour events, qualifiers will be open to all Professionals (including Section Members and Associates) and amateurs with handicap indexes required by current PGA TOUR or related tour policy.

Low Team Pro	17.5%	\$847.00		Low Team Pro	17.5%
Total Pro Purse		\$2,299.00		Total Pro Purse	
Amateurs	52.5%	\$2,541.00		Amateurs	52.5%
Total Purse		\$4,840.00		Total Purse	

Steps

1. Add the added guarantee money, the Professional “net entry fee,” and the amateur “net entry fee” together to form the total purse.
2. The “net entry fee” is the entry fee you charge less any club expenses that you will be paying out of the entry fee. (Example: You may be charging \$50/player which includes cart fees and a social function or food following play. The cart fee is \$15/player and the food is \$5/player. Subtract the carts and food from entry fee and you have \$30 net entry fee, the recommended minimum entry fee for a one day Pro-Am.) The Tournament Committee reserves the right to audit tournament records if it is deemed that proper accounting of entry fee money is necessary.
3. Section Regulations recommend that Low Professionals receive 30%, Team Professionals receive 17.5%, and Team Amateurs receive 52.5% of the Total Net Purse.
4. Multiply 0.30 by your Total Net Purse to get the total amount paid to the Low Professionals.
5. Multiply 0.175 by your Total Net Purse to get the total amount paid to the Team Professionals.
6. Multiply 0.525 by your Total Net Purse to get the total amount paid to Team Amateurs.
7. These three numbers should add up to your Total Net Purse
8. If \$30 (one-day Pro-Am) or \$40 (two-day Pro-Am) is less than 45% of the entry fee, you should take 45% of the total entry fee plus the recommended \$1000 minimum (one-day Pro-Am) or the recommended \$1,750 minimum (two-day Pro-Am) to calculate the purse.

Total Purse:		\$4,840.00			Total Purse:		\$6,870.00		

STEPS

1. It is recommended that you pay at least 1/3 of the field. 32 teams X 0.33 = 10.56. Pay 11 positions.
2. Take the amounts appropriated for each division (Low Pro, Team Pro, and Team Ams) and multiply them by the purse distribution percentages found on a previous page of this handbook to get position payouts.
(Example: 1 day Pro-Am Low Professional = \$1,444.80 X 0.19 = \$274.52)
3. You may round off to the nearest dollar or five dollars
4. Team Consolation: If you are paying a team consolation prize for low round out of the money on the second day, remember to subtract the amount of the total consolation prize from the Net Purse before figuring the percentage of the money to go into each division. The consolation prize recommended is \$25/player.

Notes

For all Player of the Year awards, players cannot "double-dip" on points (i.e. if you make the 2nd cut at the PGA Professional Championship, you receive 50 points total, not 50 points and 25 points for making the first cut).

For PGA TOUR, Champions Tour and LPGA Tour events, players cannot receive "qualifying" points if they compete in the event due to a sponsor or other special invitation. Qualifying points are meant for specifically competing in a qualifying round(s) for a tour event. However, points for making the cut or winning the tour event can still be collected if competing due to a sponsor/special invite.

The last date for Player of the Year points is November 15. After that date, the recipient of all Player of the Year Awards will be declared.

JOHNNY PALMER TROPHY

The Johnny Palmer Trophy is awarded to the Section Member who has the lowest stroke average in a given calendar year in the Players Championship, Carolinas Open, NC Open, SC Open, and Section Professional Championship. Associates are not eligible. To be eligible for this award, the Member must have a score for a minimum of ten (10) rounds in the events previously stated. If a Member has more than ten (10) rounds, the lowest ten (10) rounds recorded will count.

If there is a tie for first place, the lowest nine (9) rounds will count, then the lowest eight (8), and so forth until the tie is broken.

APPENDIX VI
CONFLICTING EVENT RULE

Conflicting Event Rule - Waiver for competing in non-sanctioned Section events applicable to Section Members and Associates.

- (a) Obligations of Section. On a date on which any golf event sanctioned by the Section is scheduled to be played, the Section shall not sanction or approve any other similar golf event without the advance written consent of the sponsor(s) of the first scheduled Section sanctioned event, the Tournament Committee Chair, the Tournament Director, or Executive Director. Such consent shall not be unreasonably withheld. "Similar golf event" means a tournament of the same type (i.e. Pro-Am event, pro only event, senior event, regular professional event, etc.). Notwithstanding the foregoing, Members and Associates are prohibited from participation in any event held within the boundaries of the Section that is not sanctioned by the Section unless the Member or Associate has obtained a release to participate in any unsanctioned event by following the process as set forth below in "Guidelines for Conflicting Event / Non-Sanctioned Event Releases."
- (b) Obligations of Section Professionals. To contribute to the success of the Section sanctioned tournament program by supporting their fellow hosting Professionals and qualifying events attached to those events and to permit the Section to fulfill its contractual obligations concerning representative fields of Section Members and Associates, no Section Member or Associate shall participate in any unsanctioned golf event on a date when a Section-sanctioned event for which such Member or Associate is eligible and within reason to compete is scheduled except as follows:
 - 1. Obtain from the Section web site, Section Office, or the Tournament Committee Chair the official tournament release form. The Section office must receive the completed form no less than three (3) business days prior to the first round of the unsanctioned event. The Section office will notify by email, phone, fax, or mail the status of the applied tournament release form.

2. The unsanctioned event is not scheduled on any of the same dates of a Section Major Championship and the Member or Associate is eligible to participate for the respective championship.

Exception: For qualifying events only, a Member or Associate that attempts to qualify for a Section Major Championship and fails to do so may request a release to participate in an unsanctioned event. Members or Associates exempt from qualifying will not be eligible for a release.

3. The unsanctioned event is not scheduled on any of the same dates of a Section sanctioned event (Pro-Ams or other event) that is located within 60 miles of the Member's or Associate's mailing address and sanctioned event site (zip code to zip code), the Member or Associate is eligible to participate in the Section event, and the Section event is full.
4. The unsanctioned event is not a Pro-Am or the like event.
5. Host Professionals of an unsanctioned event are precluded from the above criteria and may participate in his/her unsanctioned event. Host Professionals are not obligated to submit a tournament release form to Section Office.
6. Any Member or Associate that is suspended from the Section tournament program or is deemed ineligible to compete within the Section is exempt from this obligation.

Section Professionals are entitled to contact the Tournament Committee Chair for further explanation of this policy; however, these and only these guidelines will be strictly adhered to and enforced.

- (c) Guidelines for Conflicting Event/Non-Sanctioned Event Release. The Section may deny any particular release request if it is determined that such release would cause the Section to be in violation of a contractual commitment to a sanctioned event sponsor or the fulfillment of its qualifying process or would otherwise significantly and unreasonably harm the Section, such sanctioned event sponsor, or the overall Section tournament program.

Section Professionals may obtain an Unsanctioned Event Release Form at www.carolinas.pga.com

APPENDIX VII

18-HOLE PROFESSIONAL EVENTS
