BUNKERS

All bunkers should be prepared prior to the start of the PAT. All areas of the course that were designed and built as bunkers will be played as bunkers whether or not they have been raked. There will be no bunker rakes, potentially resulting in numerous footprints. Such irregularities of surface are a part of the game and no free relief is available from these conditions. Players are asked to smooth footprints with their feet exiting a bunker. Another option, if it is possible, would be to put a rake in everyone's golf car and then no one is sharing a rake.

FLAGSTICK

Flagsticks should be left in the hole and not be touched for any reason. Holes will be partially filled to allow for easy ball retrieval. A ball, to be considered holed, must be within the circumference of the hole and any part of the ball must be below the surface of the putting green.

Clarification of when a ball is holed when noodles or pipes are included:

"If a ball goes into the hole but bounces out due to the noodle or plastic pipe close to the surface, A ball is considered to have been holed if it is known or virtually certain that the only reason it did not remain in the hole is because the noodle or pipe caused the ball not to be holed. If there is no such certainty, then the ball must be played where it came to rest".

TEES

All men under the age of 50 shall play a course measured at 6,371 yards
All men over the age of 50 shall play a course measured at 5,989 yards

TRANSFERS/REFUNDS/CANCELLATIONS

There are no transfers or refunds from a PAT inside the 7-day registration deadline unless it is a cancellation after passing a previous 36-hole PAT (this does not include meeting the 18 hole minimum PAT requirement) or off a wait list. An individual who passes the 36-hole PAT and is signed up for another, must contact the PGA National Office at (800) 474-2776, within three business days of passing the 36-hole PAT to have the funds transferred to a Professional Readiness Orientation registration or refunded. A competitor, who is unable to participate in a PAT and does not notify the PGA National and Section Office at least 72 hours prior to the PAT, will be suspended from playing in another PAT for 90 days. A competitor who withdraws during play or no cards (does not complete and submit a card for two 18 hole rounds) will be suspended from competing in another PAT for 90 days from the date of that PAT. If a competitor is signed up for another PAT within the 90 day suspension period, that individual will be canceled from that PAT and the funds will be refunded. An individual, who cancels, withdraws or no cards due to injury or illness may submit medical documentation to the PGA National Office no later than three business days following the PAT for review for refund and/or waiver of suspension.
