

CHARLOTTE, NC (October 11, 2021) — The 3rd Annual Harvick4Heroes PGA REACH Pro-Am was a tremendous success. Charlotte Country Club was gracious enough to host our event which supported The Kevin Harvick Foundation and the PGA REACH Carolinas Foundation. Twenty-three teams composed of one Carolinas PGA Professional and four amateurs all took on the beautiful course in a shamble format.

Each team shared laughs, camaraderie, and a few drinks while celebrating two wonderful causes. While on the course, each team learned about the Kevin Harvick Foundation and the three Pillars of PGA REACH Carolinas; Youth, Military, and Diversity & Inclusion. The team of Ernie Teague (a), Lane Cann (a), John Deslauries (a), and Tommy Hooker (a) from Take 22 Inc and CPGA Professional Mike Guy, PGA won first place at 28-under-par.

Following the tournament, players gathered for an evening of drinks and hors d'oeuvres where a live auction for exciting sports packages and memorabilia was hosted. The entire event with the Pro-Am and online auction raised over \$175,000 for both foundations.

We would like to thank NASCAR racing legend Kevin Harvick for aligning the Kevin Harvick Foundation with the PGA REACH Carolinas for an incredible event, and KHI Management Vice President Josh Jones for working alongside our team.

We would also like to thank Head PGA Professional Eric Williamson, PGA, Senior Event Planner Kristina Bulovic, and the entire staff at Charlotte Country Club for hosting a wonderful event. We would also like to thank Carolinas PGA Executive Director Jeff Abbot and Sunny Harris Hutchinson PGA WORKS Fellow Hannah Gostonczik for organizing and executing a successful auction and tournament!
