Unless otherwise noted, the penalty for breach of a Local Rule is:
Match Play – Loss of Hole Stroke Play – Two Strokes

1. Out of Bounds – Rule 18.2.

A ball that crosses a road defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course. Committee Procedures Model Local Rule 8A-5.

 - vi. A hole made by a movable obstruction (stakes, signs, tables, chairs or the like) may be treated as ground under repair by the Committee. But interference does not exist if the hole only interferes with the player's stance.
- b. Immovable Obstructions:
 - i. White lined areas tying into an obstruction are treated as that same obstruction. Model Local Rule F-3.1
 - ii. When landscaped or garden areas (flower beds, shrubbery, or the like) are completely encircled by an obstruction, the obstruction and landscaped area are treated as one abnormal course condition. Model Local Rule F-3.3
 - iii. When railroad ties, curbing or the like adjoin an obstruction, they are treated as that same obstruction.
 - iv. Roads or paths surfaced with wood chips or mulch; the individual pieces of wood chips or mulch are loose impediments.
 - v. Where the non-course side edge of a road or path defines out of bounds, the road or path is an obstruction.
- c. Removal of Temporary Water:

 - iii. Squeegee the entire putting green at any time.

3. Immovable Obstructions Close to Putting Greens

Model Local Rule F-5 is in effect. For a ball in the general area, relief under Rule 16.1b is allowed only when both the ball and the immovable obstruction lie in an area cut to fairway height or less. The obstruction must be, i) within two club-lengths of the putting green, ii) on the player's line of play, and iii) the ball must be within two club-lengths of the obstruction.

5. Permanent Elevated Power Lines or Cables

Model Local Rule E-11 is in effect and is modified as follows: If it is known or virtually certain that a player's ball hit a power line in bounds, the player must replay the stroke. If the player does not replay the stroke, they receive the general penalty and the stroke counts, but the player has not played from a wrong place.

6. Integral Objects

- a. Artificial retaining walls and/or pilings when located within penalty areas are integral objects.
- b. The portion of wires, cables, wrappings, signs, poles or antennas when closely attached to trees or objects defining out of bounds are integral objects.
- c. Bunker Liners – The Committee treats an exposed liner as ground under repair under Rule 16.1. But interference does not exist if the liner only interferes with the player's stance.
- d. Gates attached to objects defining out of bounds. All closed gates that are attached to boundary walls and fences are part of the boundary object. But an open gate is not treated as part of the boundary object and may be closed or moved to a different position.
